Recommendation of Bid Award
PACE Project No. 18211

Dear Mr. Hall:

This letter is to advise you that on February 28, 2023, at 10:00 AM local time, the District opened bids at the District office for the above-referenced project. A total of three (3) bids were received, opened, and read aloud ranging from \$1,417,812.75 to \$1,797,172.21. The engineer's estimate for this project was \$1,549,753.84.

The apparent low bidder, Laser Underground and Earthwork, Inc., submitted a complete bid proposal and no errors were found. The contractor performed satisfactory work on the District's Phase 1 upgrade for Lift Station 18 by completing construction of a new force main in October 2022. Furthermore, given their ability to bond this project, we hereby recommend that the project be awarded to Laser Underground and Earthwork, Inc., in the amount of \$1,417,812.75, which includes state sales tax. Enclosed herewith is a copy of the certified bid tabulation for your reference and files.

If you have any questions regarding this matter please feel free to contact me at kenn@paceengrs.com, or 425.827.2014.

Sincerely,

PACE Engineers, Inc.
